

# FIRST® Robotics Training Day

You're invited to connect with our FIRST Robotics community! We'll have educators and coaches from K-12 classrooms interested in connecting with local STEM industry professionals. Learn something new & meet someone new :)

## ARE YOU A RETURNING COACH?

### Come Get A Refresher!

Sharpen your skills and learn from your peers as you prep to lead your team in the FIRST® CANOPY™ season. FLL, FTC, and FRC coaches are invited to swap ideas, ask questions, and meet industry professionals – possible mentors!

## NEW TO FIRST ROBOTICS?

### Interested in Mentoring?

Come meet the coaches, learn the basics of FIRST Robotics, and get matched with a Cleveland team to mentor throughout the school year. No experience needed — just curiosity and a willingness to help students thrive.

**DATE:** Saturday, September 19

**TIME:** 9:00 AM – 3:00 PM

**LOCATION:** MAGNET Manufacturing  
(1800 E 63rd St.)

RSVP using this QR Code!
